

Auslan for families and the community

Does your family have a deaf child?

Would you like to learn about Auslan?

Introduce your family to Auslan?

Brush up on your Auslan skills?

We are running two Saturday classes monthly in Hobart for families and the general community. Each class will have an Auslan Trainer present.

Classes are **free, interactive** and **fun**.

For families – give your child a hand in spelling, vocabulary and other skills by introducing them to Auslan (Australian sign language).

For the community – it doesn't matter if you know nothing, a little or a lot, come along and learn Auslan in a fun, interactive environment.

When: 2nd Saturday of each month for families

4th Saturday of each month open to families
and the general community

Where: Tasdeaf, 139 New Town Road, New Town 7008

Time: 2.00pm to 3.00pm

Fees: Both classes are **free**
